

2018-2019

U Got Brains Champion Schools Program Participation Agreement

School commitment: We agree, as a participant in the **U Got Brains Champion Schools Program**, to comply with the following minimum requirements as conditions of receiving the stipend:

Please **check each box** on the left after reading carefully to signify agreement.

- We will meet with a representative from the Brain Injury Alliance of New Jersey (BIANJ) at the beginning of the project to review our proposed project and will maintain regular contact with the representative to send updates on our project.
- We agree to submit the required mid-term update by **March 15, 2019** and required final update by **May 6, 2019**. Additionally, as part of the final update, we will provide either a PowerPoint or video project summary of no more than 10 minutes and a 30 second highlight video by **May 6, 2019**. We understand that BIANJ will use this video summary for the purposes of judging our project, and as part of a highlight program at the Project Showcase and Awards Program. We agree that BIANJ can edit our video submission for purposes of program promotion and/or use on their website, and social media. We also agree to share additional project materials (photographs, t-shirts, etc.) that highlight our project as part of our final report.
- We agree to use the Champion School stipend fund for transportation safety projects. Additionally, we understand that any funds that we raise as a result of our project must be reinvested in transportation safety. We understand that we will be asked to report on how the stipend funds were utilized in our Final Update.
- We will participate in all evaluation components implemented by BIANJ.
- We agree to promote the Champion Schools Project within our community and to local media.
- We agree to like/follow and tag Jersey Drives on Facebook, Instagram and Twitter
- We agree to attend, or send a representative, to the U Got Brains Champion Schools Project Showcase and Awards Program that will take place on **May 23, 2019** at Six Flags Great Adventure Theme Park.
- If our school is chosen as one of the winning schools, we agree to accept delivery of the driving simulator in **September/October 2019** and allow media access to visit our school for educational and promotional purposes.

My signature signifies that I have read and understand this contract. I understand that failure to comply with the above program requirements may result in our school's dismissal from the UGotBrains Champion Schools Program.
