## Cross County Connection Transportation Management Association (CCTMA)

4A Eves Drive, Suite 114  
Marlton, NJ 08053

**Contact Person:** Ronda R. Urkowitz [urkowitz@driveless.com](mailto:urkowitz@driveless.com)

**Phone Number:** 856-596-8228

**Website:** [www.driveless.com](http://www.driveless.com)

**Counties and Population served:** Burlington, Camden, Gloucester, Atlantic, Cumberland, Cape May and Salem

**Agency Overview:** Cross County Connection is a non-profit Transportation Management Association (TMA) providing transportation-related services in New Jersey's seven southern counties, including the counties of Atlantic, Burlington, Camden, Cape May, Cumberland, Gloucester and Salem. Since 1989, Cross County Connection has been working with businesses, communities, and commuters to provide solutions for transportation problems in southern New Jersey. Cross County Connection TMA was formally incorporated in 1989 through the efforts of a group of southern New Jersey business leaders, local government officials, and representatives from the New Jersey Department of Transportation (NJDOT) and New Jersey Transit Corporation (NJ TRANSIT) to address mobility issues in the region and reduce the number of vehicles on state and local roadways. Today, Cross County Connection provides solutions to complex transportation problems for counties, municipalities, employers, and commuters in its seven-county region.

**Services Available:** Presentations delivered and shared, handouts, giveaways and community events.

**Additional Information:** Commuters, municipalities, county governments, employers and the general public all benefit from Cross County Connection's work in seeking and providing viable transportation solutions for the southern New Jersey region, and encouraging safety in every transportation-related endeavor.

Commuters and the general public benefit by using us as a centralized source of valuable information on joining carpools or vanpools, using trains, shuttles or buses, commuting by walking or biking, and finding timely traffic or roadway construction alerts. We also are heavily involved in the safety aspects of commuting - whether by motorized vehicles, biking or walking. And we also work directly with school age children in New Jersey's Safe Routes to School program.

The New Jersey Department of Transportation has partnered with Cross County Connection TMA to administer a statewide bicycle and pedestrian education and encouragement program. Safe Routes to School (SRTS) is a federal, state and local effort to enable and encourage children in grade K-8, including those with disabilities, to walk and bicycle to school. SRTS facilitates the planning, development and implementation of projects that improve safety and air quality, as well as reduce traffic and fuel consumption around schools.
